SNOWBALL BLOCK

STEP 1: On the back of each dark blue square, draw a line diagonally from corner to corner. Place a blue square in the upper left corner of a teal square, RST, noting the orientation of the diagonal.

STEP 2: Sew on the drawn line, and trim seam allowance to $\frac{1}{4}$ ". Press to the outside.

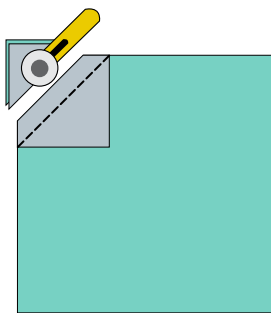

STEP 3: Repeat Steps 1–2 for upper right corner.

STEP 4: Repeat Steps 1–2 for lower corners, but press seams to the inside. (This will help the seams nest when you join the blocks in a later step.)
