MAKE THE TAILS

STEP 1: Trace template below onto freezer paper, and cut to shape.

STEP 2: Place (2) **tails** rectangles right sides together, and fold in half. Pin template to fabric, aligning at the fold.

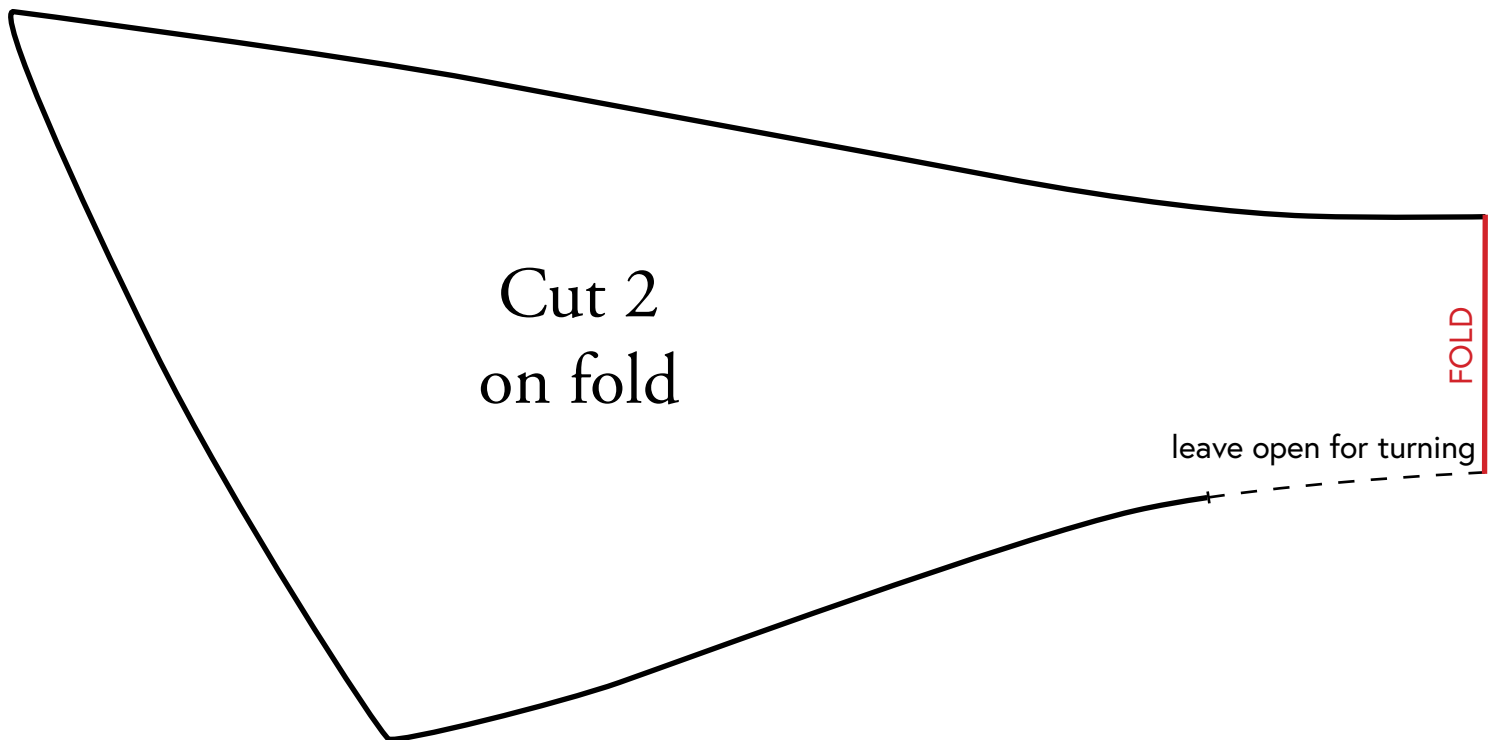

STEP 3: Cut out tails shape along traced line.

STEP 4: Sew around tails with $\frac{1}{4}$ " seam allowance, leaving an opening for turning.

STEP 5: Turn right side out, pushing corners out. Press.

STEP 6 (optional): If desired, sew opening closed at this time. *For sample project, we left the opening, because it will be hidden away inside the knot.*

STEP 7: Refer to sample image on page 1 to tie tails around scrunchie. *For sample project, we used the tails to cover the seam on the scrunchie.*
